

## Youth Activity/Devotion

Start with a game: *Scavenger hunt: Make your own list based on your knowledge of you home and year. There are lots on online scavenger hunt lists for both indoor and outdoor hunts. If you need some inspiration, try this link: <https://buggyandbuddy.com/30-free-printable-scavenger-hunts-for-kids/>*

Whatever list you choose to use, talk afterwards about what was easy to find and what was difficult to find. Were there things on the list that didn't get found? Were there things that you thought would be obvious but just go overlooked?

We need to learn to always have our eyes open to God. He is constantly at work in our lives. Answering our prayers, guiding our hearts, and carrying our burdens. We need, at times, to just open our eyes and look for Him. And once we look with expectation, He isn't that difficult to see!
