

## Youth Activity/Devotion

6-10-2020

Start with a game: Sardines

Sardines is “hide and go seek,” with a twist. Only one person hides, and everyone else looks for them. If you find the person hiding, you join them! The game continues until everyone had found the place where all the sardines have packed themselves in!

One of the most important things for us to remember in our walk with the Lord is that we are never alone. While sometimes it feels like it, the truth is that God is right beside us. All the time. No matter what. Another important truth is that in the family believers we can, and should, count on those around us. We should be seeking those that are struggling, offering to stick with them along the way.

Read Acts 17:28

We are indeed His offspring!
