

A Church That SPREADS

Read Acts 27:21-26

A church that spreads trusts God's promises.

What promises has God made to Paul? How do God's promises give Paul and the other men confidence to face the storm?

What promises has God made to you? To the church? How do these promises help us face life's difficult storms?

Read Acts 28:1-10

A church that spreads expects God to move.

Where do you see God moving on the island of Malta?

What opportunities do we have to tell people how God is moving among us?

Read Acts 28:11-16

A church that spreads walks together.

How will being a church that walks together help us be a church that spreads?

Read Acts 28:30-31

A church that spreads boldly proclaims Christ to the world.

In what way should the words of Acts 28:31 be a description of our congregation?
